Do you remember the fun of the YMAR and UMYF road rallies?

Well, prepare yourself for **"Rally Weekend" on September 8th and 9th**. We are bringing back the road rally on the afternoon/evening of **September 8th** and celebrating Rally Day as Sunday School resumes on September 9th. (There is also a rumor that we may have tailgate breakfast on the 9th.) As a special note this is a "no obligation" road rally. The winners are encouraged, but not required, to plan another.

If you are unfamiliar with road rallies, they involve solving a variety

of puzzles to discover a location, driving to that location, answering questions based on information at that location and ending up at a place where dinner is served.

Prizes are awarded for 1st, 2nd, and 3rd place based on completion of clues and questions. (Time will only be considered as a tiebreaker.) There are usually four people per car. We will be happy to combine individuals who are interested in taking part into four person groups.

Cost would be about \$25 per person and we would need a minimum of 36 participants.

Please contact Jane Egermann at 248-879-5512 or jane48085@yahoo.com if you are interested in participating.

No money will be required until later in the summer.
