

First United Methodist Church of Troy

Safe Sanctuary Policy for the Protection of Children, Youth and Vulnerable Persons

Effective: 5/23/18

I. PREFACE

We believe that the children of the world are the most precious resource of our churches and our nations. We have adopted this policy describing the training, certification and operating guidelines for staff and volunteers of the Church to provide safeguards to protect children, youth and vulnerable persons from safety and health issues as well as physical, mental and/or sexual abuse. Our church embraces its calling to provide functions, activities, programs and events (herein referred to as activities) which are spiritually and developmentally appropriate, safe and free from abuse or neglect. The First United Methodist Church of Troy (FUMC of Troy, TFUMC or the Church) will not tolerate and prohibits abuse and bullying at the activities of FUMC of Troy or on its property. Retaliation or false accusation against a target, witness, or another person with reliable information about these matters is prohibited. Any person who may pose a threat to children, youth or vulnerable persons will be prohibited from working in any ministry involving children, youth or vulnerable persons.

I. Acceptable Touching and Verbal Comments

The matter of acceptable touching of children, youth or vulnerable persons needs to be handled with a great deal of thought and caution. Clear, sensible judgment must be followed. For instance:

- 1. A child, youth or vulnerable person should only be hugged in the presence of others, preferably adults.**
- 2. A sideways hug only should be considered. High fives are encouraged!**
- 3. Hugging should never be considered appropriate if it is unwanted or attempts are made to thwart it.**
- 4. When working with teenage youth, hugging and kissing between employees or volunteers and youth should not occur. Exceptions for hugging may occur on special occasions or events and while in the presence of other youth and adults.**
- 5. Verbal comments must be delivered carefully. A thank you or congratulations and praise should be polite, never intentionally relating the idea of improper affection.**

J. Discipline Procedures:

Care providers should follow the five step process outlined below. Care Providers should contact the leader if a child, youth or vulnerable person is not responding to requests to change inappropriate behavior. The leader will find the individual's parent or guardian and give them details of incident.

Five Step Process

- | | |
|-------------------------|---|
| 1. Preventative | Remove child from the situation. |
| 2. Supportive | Explain calmly to child that you accept them but not their behavior. |
| 3. Corrective | State the change that you expect of him/her clearly. |
| 4. Consequential | State consequence and give them their choice. |
| 5. Amending | Help him/her know they are forgiven for what they have done and you'll work with them for total forgiveness. |

K. Transportation Procedures

This section addresses only transportation directly related to a church-related activity.

- 1. All settings requiring transportation require the approval of the Youth Director or the Pastor.**
- 2. The certification process requires a criminal records check. The criminal records check includes any motor vehicle driving issues. Therefore anyone who is certified is eligible to transport children, youth and/or vulnerable persons to and from church sponsored activities.**
- 3. State laws must be observed, including those regarding seat belts, children in the front seat and car seats.**
- 4. All drivers must have valid driver's licenses and auto insurance and be a minimum of 21 years of age.**
- 5. All drivers will be responsible for making sure permission forms have been completed for every child, youth or vulnerable persons they transport.**
- 6. Special provisions should be made when drivers will be awake all night at lock-ins, retreats, or other events so that they are not driving when over tired.**
- 7. Participants will be released from a function, activity or event only to those 21 years old or older or as otherwise indicated by parents or guardians.**

L. Leader Responsibilities

- 1. Secure a safe and appropriate location that is conducive to the health and welfare of the participants and appropriate for the objectives of the activity.**
- 2. Provide adequate care providers of children, youth and vulnerable persons by confirming the number of certified care providers needed for your event.**
- 3. Ascertain the certification status and suitability of care providers for your particular setting.**
- 4. Know the procedures that are to be followed in case of an incident of suspected abuse or neglect.**
- 5. If needed, submit the names of possible staff to the TFUMC Office Manager to determine if they are certified to work with children, youth and vulnerable persons.**
- 6. Establish and communicate to all staff expectations and procedures for your activity, for instance, procedures regarding medications, medical situations (universal precautions) and emergencies and how they will be handled during your event.**

7. Establish a sign-in and sign-out procedure, assuring that participants are released only to those designated by a parent/guardian.

8. All activities should be visited by the leader. Visits to the activity should be random. This should include periodic visits to inspect areas that are isolated from view.

M. CPR/FIRST AID Training and Procedures

1. First UMC of Troy will strive to have at least one employee or volunteer with CPR/First Aid training at each church sponsored activity.

2. Children and youth with open skin lesions or other open wounds should not be admitted unless the wound is suitably bandaged.

3. Open wounds suffered during church sponsored activities must be immediately bandaged. If a care provider treats a wound, the care provider must wear protective gloves. If a care provider cleans up any mess containing body fluids, the care provider must wear protective gloves.

4. In the event of serious injury:

a. First, call 911 if necessary.

b. Second, assess the situation, including searching for a medical-alert bracelet or necklace, and attend the wound / injury.

c. Third, contact the parent or guardian.

d. Fourth, contact the Pastor.

e. Fill out an incident report.

N. ILLNESS PROCEDURE

1. If a child exhibits any of the following symptoms, the parent or guardian is expected to keep him/her home:

a. Diarrhea (more than six times in the last 24 hours)

b. Vomiting (two or more episodes in the last 24 hours)

c. Temperature above 101 degrees

d. Contagious infection, rash, or rash accompanied by fever or behavioral change

e. Runny nose with cloudy or green mucus

2. Here are some of the illnesses common to children, and the contagious periods for each. The parent or guardian is expected to keep their child at home during these times:

- a. Ear infections. While ear infections are not contagious, the upper respiratory infections that cause the ear infections are. In addition, at the early stage of an ear infection, children are often uncomfortable and cannot be cared for adequately with other children around.**
- b. Strep throat. Once a child has had 24 hours of antibiotics, he or she is not contagious.**
- c. Chicken pox. This is very contagious as long as the pox are open and weeping. When the pox are scabbed and dry the child can return to the classroom.**
- d. Pinkeye. This is a very contagious disease. Most children need 24 hours after treatment has been initiated before returning to the classroom.**
- e. Impetigo. Children need to be on antibiotics 24-48 hours before returning to the classroom.**

O. Unsupervised Children

A child should not be allowed unsupervised anywhere in the church, on the church grounds or at any activity. Parents or guardians visiting or working at the church should not leave their child of any age alone.

P. Windows in Doors

Doors of classrooms, offices and all other rooms used for children, youth and vulnerable persons should have windows in them or be left open.

Q. Staff Safe Sanctuary Accountability Policy

The following Safe Sanctuary accountability and oversight shall be continued:

- 1. The Chairperson of the SPRC and the SPRC members provide this of the Pastor.**
- 2. The Pastor provides this for each member of the staff. In addition, an SPRC member is a liaison to each employee.**
- 3. The Sunday School Superintendent provides this for all classroom volunteers for infants through 5th grade. This individual is a volunteer reporting to the Education Committee and must be a certified care provider.**
- 4. The Youth Director is an employee and provides this for all Jr. High and Sr. High youth volunteers.**

VI. Reporting Suspected Abuse or Neglect Involving Children, Youth or Vulnerable Persons

A. Persons Required to Report

1. All care providers and staff who have reasonable cause to suspect inappropriate behavior, suspicious behavior, abuse or neglect of a child, youth, or vulnerable person shall discretely report immediately, verbally or in writing, the suspected item to the leader, the Pastor or the Chairperson of the SPRC including all known and suspected cases of abuse or neglect which (1) occur on the church premises, (2) occur at a church-related activity or (3) are disclosed during a church-related activity. All other persons may report known and suspected cases of abuse or neglect in accordance with this Policy and the laws of the State of Michigan.

2. If any child, youth or vulnerable person arrives at a church-related activity and exhibits signs of abuse or neglect, the leader shall evaluate the situation and in consultation with the Pastor or the Chairperson of the SPRC shall implement this Policy's reporting procedure. (Note: the 1975 Michigan Act No. 238 requires certain persons to report suspected child abuse or neglect. The Church and its members at large, exclusive of those persons indicated in 1975 Michigan Act No.238, have not been included among those that must report suspected child abuse or neglect. However, the Church or any of its members may report under Michigan Law. Certain persons required to report may still be required to report, regardless of status as a member of a church congregation.)

3. The reporting requirements in this Policy are the minimum requirements. This Policy does not preclude anyone from reporting a known or suspected case of abuse or neglect to others for the protection of children, youth and vulnerable persons. Unless such protection requires otherwise, however, confidentiality of the information reported or received shall be respected to protect the rights and interest of the victim, the alleged perpetrator and their families.

B. Reporting Procedures (Also see SSP Addendum 4 – Incident Immediate Response and Report and 48-Hour Written Report)

1. All care providers and staff who have reasonable cause to suspect (MCL § 722.623 (1)) inappropriate behavior, suspicious behavior, abuse or neglect of a child, youth, or vulnerable person shall discretely report immediately, verbally or in writing, the suspected item to the leader, the Pastor or the Chairperson of the SPRC.

2. Immediately, the leader, the Pastor or the Chairperson of the SPRC shall make by telephone, or otherwise, an oral report to the Michigan Department of Human Services. (MCL § 722.623(1)). This oral report shall be made in conjunction with the person who made the observations or received the disclosure. The following information will be required in the oral report:

- a. Name, age and gender of the alleged victim and other family members.**
- b. Address, phone number and/or directions to the alleged victim's home.**
- c. Parent's place(s) of employment.**

The format for this written report should include the information indicated in Addendum 7. Copies of these written reports shall be made available to the Pastor, the Chairperson of the SPRC and the District Superintendent.

4. Within 72 hours, the leader, the Pastor or the Chairperson of the SPRC along with the person initiating the report, shall submit a completed State of Michigan "Report of Known or Suspected Child Abuse or Neglect" to the Michigan Department of Human Services in accordance with the directions given at the time of the oral report.

5. Any child, youth or vulnerable person who feels they have been or may have been abused or neglected, is encouraged to immediately report such abuse or neglect to the person(s) in charge of the activity in which they are participating, the Leader, the Pastor, some other person they trust, the police, or other public service or protective agencies.

6. Notification of a parent or legal guardian of the alleged victim of abuse or neglect, which occurred prior to the church-related activity, shall be determined by the Department of Human Services. When it is determined that a parent or legal guardian shall be notified, the leader shall call the parent or legal guardian informing him or her of what has been observed, and what steps have been taken in response to those observations. Unless otherwise instructed by the Department of Human

Services, the leader shall follow the parent's or guardian's wishes regarding the continued participation of the involved child, youth or vulnerable person.

7. Matters of known or suspected abuse or neglect are to be treated with due respect, sincerity and confidentiality, except as required by law or as disclosed to individuals under this policy with a need to know such information.

8. The person designated by the Bishop's office shall be the only individual authorized to communicate on behalf of the Detroit Conference with the authorities and media after the initial report is made.

9. Persons who are the object of a report shall refrain from further activities with children, youth or vulnerable persons until otherwise instructed by the leader.

10. The advice of the District Superintendent, the Bishop's office, legal counsel and/or the church's insurance carrier will be sought as needed.

C. Bullying reporting procedure

Those with knowledge of bullying in violation of this Policy are encouraged to report the facts to the leader, the Pastor or the Chairperson of SPRC and all follow the detailed procedure and reporting of SSP Addendum 4 – Incident Immediate Response and Report and 48-Hour Written Report.

VII. MONITORING OF THE PROGRAM

The Church Council must approve any update to the Safe Sanctuary Policy. Establishing and maintaining the program as set forth in this Policy will be the responsibility of the Chairperson of the SPRC. Review of the program and the Policy should be done as needed to determine if the established goal is being met and if safeguards must be modified to meet changing laws, program shortcomings, or other requirements, but at least annually.

VIII. CONCLUSION (Also see Safe Sanctuary Policy Q&A)

While the vast majority of those who work with our programs are of the highest moral character and are deeply committed to the needs of those to whom they minister, the realities of a society where awareness of the potential for abuse or neglect has been heightened makes a

consistent Policy with required training, certification, rules and procedures necessary. We understand that those with clean backgrounds and records might find this Policy burdensome or offensive.

Yet, if we are to take seriously our responsibility for children, youth and vulnerable adults, all employees and volunteers must be treated in the same manner. We take seriously the need to be careful and thorough in our process. Further, we live in a litigious society, where the potential exposure of the church and its volunteers and employees mandates the need for a church-wide policy that is clear and consistently enforced. We thank you for your understanding and cooperation as we endeavor to make our programs safe and secure for all who participate.

Safe Sanctuary Policy - Questions and Answers

1. Did anything happen here at church that provoked us to create this Safe Sanctuary Policy? Nothing has happened. We are being pro-active to prevent anything from happening. We have had a policy in place since 2005, but felt it needed to be updated. We have many excellent practices but we need a policy and procedures to protect the church, our volunteers and most importantly our children, youth and vulnerable persons.

2. Do other churches have a similar policy? Yes. The United Methodist Detroit Conference, St. Paul UMC and many other United Methodist Churches have policies in place. We have modeled our policy off the Detroit Conference Policy and included more details from St. Paul's Policy and our 2005 Policy.

3. Our church was enlarged and renovated a few years back, is this why we now need a Safe Sanctuary policy? No, every church needs a written policy and we are following the Detroit Conference's model. The additional space does create challenges for supervision. As our programs continue to grow, we want to be able to assure families that safety continues to be our priority.

4. How will this policy affect our current staffing? We will need a few more volunteers to make sure we provide adequate care of our children. This protects the volunteers as well as the children.

5. How do we know that this policy is complete and we haven't missed anything? We have modeled our policy off the Detroit Conference Policy and included more details from St. Paul's Policy and our previous Policies. We plan to update this policy as we identify areas for improvement.

6. What will this cost? There is no additional cost since the certification process is being administered by the volunteers of the SPRC. The on-line youth protection training by the Boy Scouts of America, the safety tips video from Church Mutual Insurance Company and the ICHAT criminal records check system of the Michigan State Police are all provided free of charge.

7. Who will have access to the personal information submitted on the application form and where will the records be kept? The Lay Leader and the Pastor of the First United Methodist Church of Troy will receive the application form, review the information and perform the criminal records check. Based on their review, they will make a recommendation to SPRC. The applications are secured in the Pastor's office.

8. Once this updated Policy is approved, what is the time frame for completing the forms and background checks? The Safe Sanctuary Policy has been in place at Troy First UMC since 2005 and training and certification are an on-going process.

9. What will be required of current volunteers? Is that different from new volunteers? All volunteers and employees, whether current or new, who work directly with, accompany or supervise children, youth or vulnerable persons at any church activity shall be certified, or re-certified, as care providers. All uncertified persons at an event shall be considered participants.

10. What about childcare for meetings and other programs? Childcare will be provided for meetings and programs as needed. All childcare providers need to be certified. Ratios of care providers to participants are detailed in the Policy. Children need to be supervised on the church grounds at all times.

11. Who is responsible for the Safe Sanctuary Policy? The Church Council must approve any update to the Safe Sanctuary Policy. The implementation responsibility of this Policy rests with each care provider and leader of any setting and the ultimate implementation responsibility rests with the Chairperson of SPRC.
