A green graphic for the Rapid Response Team. On the left is a brown cardboard box labeled 'Donations' containing various food items like a bottle of oil, a jar of jam, and a container of oatmeal. In the center, the words 'RAPID RESPONSE TEAM' are written in large, bold, white capital letters. To the right are illustrations of a jar of jam and a container of oatmeal. Below the title, a white box contains the text 'Troy First's new initiative for families in need'. The main body of the graphic contains text about food insecurity and ways to help, followed by a list of ways to help and contact information for Laynie.

RAPID RESPONSE TEAM

Troy First's new initiative for families in need

Right now, many families in our area are facing food insecurity. Your contribution to our food drive can make a real difference. We're collecting non-perishable food items to help restock local food pantries and provide meals for those in need.

Ways to Help:

- Donate non perishables
- Donate money
- Join the initiative

Please contact Laynie (laynieTFUMC@gmail.com) with any questions or requests

A light green graphic with a recycling symbol at the top center. The background features faint icons of a recycling symbol, a globe, and the words 'zero waste'. Below the recycling symbol, the title 'Green Team Update: Recycling 101' is written in a handwritten-style font. The main body of the graphic contains text explaining which items can be recycled curbside and which items require special handling.

Green Team Update: Recycling 101

Most people are able to recycle the following items at curbside via your city rules: paper, cartons, glass, metal, plastics, and flattened cardboard. Make sure they are empty, clean and dry. Batteries and Styrofoam can only be recycled at SOCRRA, which

is at 995 Coolidge Rd, Troy. You must have an appointment. Check out their website at SOCRRA.org for other items and look for more recepticals at church soon.
