CHURCH OF TROY  
6363 LIVERNOIS RD  
TROY, MI 48098  
TEL: 248-879-6363

## What is Youth Group?

Youth Group is the 6-12th graders from Troy First (and friends) gathering to have fun, indulge in friendship, grow in their faith, and of course, eat delicious food.

We meet from 6:30-8pm on Sunday nights throughout the school year. What we do varies from week to week, but some of our favorites are discussions, lock-ins, lazer tag, bowling, movie nights, iron chef, road rallies and so much more. No matter what your interests or passions are, we have something for you.

The best part of youth group is you are always invited to **bring your friends**. You don't need to be a member of our church or Methodist to attend. We welcome anyone and everyone who want to be a part of our group!

## Mission Possible

Mission Possible is our annual summer week of mission for our students going into 6th-8th grade, the following year! We spend each day volunteering at different groups and organizations in our area who need assistance. Some examples are Troy Historic Village, Disaster Relief at Work, World Medical Relief, Glenaers Food Bank and many more! We also get to do fun things like go out to lunch, to the waterpark or go to Joe Dumars! It is hard work, but such an awesome week for our middle school youth. Our 2020 dates are June 15-19!

## Mission Trip

Our senior high youth are invited to attend our annual Mission Trip each summer, For 2020 we will be going July 19-25th to Rochester, NY. This is a week of service with our youth group as well as 200-400 other youth and leaders from around the country. Throughout the week, you work on home repair projects on a home for your resident with you "crew" of 5-6 made up of other volunteers. If you're worried about spending that much time with people not from our church, don't be! You form quick bonds and

friendships through the hard work and fun! Also throughout the week, there is worship services, lessons, devotions and so much more! This year's theme is "Worth It" and we promise, you don't want to miss it. They are an absolute blast and they will change your life. Spending a week with God and a large group of other youth who are doing the same is such a powerful experience, We truly can't put it in to words.

"What if Church wasn't just a place to go, but something we do?"
